

ETHICS POLICY

LBJ Project Solutions will conduct its business honestly and ethically in all of its dealings. We are constantly improving the quality of our services, products and operations in order to retain our reputation for honesty, fairness, respect, responsibility, integrity, trust and sound business practices.

No illegal or unethical conduct on the part of stakeholders, directors, employees or affiliates is in the company's best interest. LBJ Project Solutions will not compromise its principles for short-term advantage. The ethical performance of this company is the sum of the ethics of the men and women who work here. Thus, we are all expected to adhere to high standards of personal integrity.

Stakeholders, directors, and employees of the company must never permit their personal interests to conflict, or appear to conflict, with the interests of the company, its clients or affiliates. Stakeholders, directors and employees must be particularly careful to avoid representing LBJ Project Solutions in any transaction with others with whom there is any outside business affiliation or relationship. Stakeholders, directors, and employees will not use their company contacts to advance their private business or personal interests at the expense of the company, its clients or affiliates.

No bribes, corruption or other similar remuneration or consideration shall be given to any person or organization in order to attract or influence business activity. Stakeholders, directors and employees shall avoid gifts, gratuities, fees, bonuses or excessive entertainment, in order to attract or influence business activity.

Stakeholders, directors and employees of LBJ Project Solutions will often come into contact with, or have possession of, proprietary, confidential or business-sensitive information and must take appropriate steps to assure that such information is strictly safeguarded. This information – whether it is on behalf of our company or any of our clients or affiliates – could include strategic business plans, operating results, marketing strategies, customer lists, personnel records, upcoming acquisitions and divestitures, new investments, and manufacturing costs, processes and methods. Proprietary, confidential and sensitive business information about this company, other companies, individuals and entities should be treated with sensitivity and discretion and only be disseminated on a need-to-know basis.

Stakeholders, directors and employees will refrain from gathering competitor intelligence by illegitimate means and refrain from acting on knowledge which has been gathered in such a manner. The Stakeholders, directors and employees of LBJ Project Solutions will seek to avoid exaggerating or disparaging comparisons of the services and competence of their competitors.

Stakeholders, directors and employees will obey all Equal Employment Opportunity laws and act with respect and responsibility towards others in all of their dealings.

Stakeholders, directors and employees will remain personally balanced so that their personal life will not interfere with their ability to deliver quality products or services to the company and its clients.

Stakeholders, directors and employees agree to disclose unethical, dishonest, fraudulent and illegal behavior, or the violation of company policies and procedures, directly to management.

Remember that good ethics is good business.
